

Au Sable River Steelhead Preservation Project

Meet & Greet Fundraiser

Saturday, April 18th - 11:00 AM

at the

AuSable River Store

680 River Rd., Oscoda, MI

We will be raising funds for the continuation of the Cormorant Harrassment Project which has been successful so far in protecting our Steelhead smolts from predation by migrating Cormorants. The project needs money to continue protecting the smolts and keep Steelhead fishing alive in the lower AuSable.
